TALES OF *Two Cities*

ROSES, MAYBE

The biggest question today in the Chaffey district is "Does Chaffey really have a chance to get into the Little Rose Bowl?"

You'd think, of course, with their impressive 34-7 route of the highly-rated Mt. San Antonio Mountaineers yesterday that the Panthers would just about have one foot inside the bowl, that is if the decision is made on a fair and equitable basis.

Keeping the fact in mind that Los Angeles City college is still undefeated this year and the fact that Compton, although losing to Pasadena, seems to have sort of an "inside track" with the Little Rose Bowl committee, the prospects don't look too encouraging. These two teams clash tonight and if the Tartars should beat LACC, then what?

Here's our feeling about the matter, which we thing is shared by the majority of Chaffey fans.

Compton got the bid last year, even though they had two defeats chalked up against them and hardly deserves it again. Secondly, if our memory serves us correctly, the Western conference, to which both Compton and LACC belong, severed relationships with everybody else, including the Little Rose Bowl boys, quite some time ago, returning significantly to "good graces" only when it looked like either Chaffey or Mt. Sac was going to go through the season in the Orange Empire conference undefeated.

Of course, we don't have any 96-0 victories to rave about, but neither do we schedule "push-overs" in order to impress a lot of people. The OEC is a pretty rough conference as can be seen by what Fullerton did to both Chaffey and Santa Ana. There just aren't any kind of ball clubs that fall over and let their opponents pile up 96-0 scores.

We feel Chaffey should have been in the Little Rose Bowl last year and since they were denied that right by a team that had two defeats against it, now is the time to do something about it. The record of the Panthers is every bit as good as Compton's, and they have a club that can hold its own against any joycee team in the nation. From the spectators' point of view, they are an exciting team to watch and are often good for one or two spectacular plays every game.

Chaffey should get the Little Rose Bowl bid this year. But if the metropolitan boys are still not convinced, then let's have a playoff to decide it once and for all. What about having the winner of the LACC-Compton game meet Chaffey anywhere, any place, any time? What about it, boys?

GOOD SKIT

Chaffey college students put on a very appropriate demonstration yesterday between halves. The Panther "spirit", which came in on a stretcher (after Fullerton), was suddenly revived by the smell of "roses" and quickly did away with the "Mountaineer". It was nice that the game carried out the predictions of the skit.

TELEGRAMS

Let's get those telegrams to Pasadena. Let's show them that the Chaffey district is squarely behind the Panthers for the Little Rose Bowl. There isn't any time to waste anymore. The selection is going to be made Monday.

The Panthers deserve it. Let's get it for them.

OR ELSE

We want to suggest this before the western representative for the Little Rose Bowl is made so nobody will accuse us of "sour grapes" in case Chaffey isn't invited.

Unless, the Pasadena chamber committee does select the Panthers, how about starting our own "bowl" game in this area? Because if Chaffey doesn't get the bid this year, then we can be pretty sure that they probably won't for many years to come.

If the "Little Rose Bowl" is going to be strictly a metropolitan affair, then let's have our "Citrus Bowl" or "Lemon Bowl". Call it anything you want, but let's have something.

Let the Chaffey Quarterbacks start a campaign to enlarge the seating capacity of Graber field and next year let's have a big enough stadium to seat all who want to come.

THE CROWD

There were plenty of visitors from Los Angeles and Pasadena yesterday afternoon at the game and they must have got an "eyeful". We don't mean only the superb performance of the Pan-

ROSES, ROSES!

Chaffey Panthers Crush Mt. Sac, 34-7

By DON BENSON

A fired-up, fighting, snarling Chaffey Panther team literally ran undefeated Mt. San Antonio off Graber Field, in a smashing 34 to 7 win before the largest crowd of 12,500 to ever to see a game at Chaffey, to win a tie for Orange Empire Conference honors and strengthen their bid for the Little Rose Bowl game.

ANSE McCULLOUGH
Runs 95 Yards

Amblin' Anse McCullough, the tow-head from El Monte, ran the Panthers a la perfect in scoring the murderous defeat of Mt. Sac, tossing no less than three touchdown passes, one to Austin Snyder, one to Chet Nicholson, and one to Ruben Ward.

94-Yard Run

Anse also took a Mt. Sac fourth quarter kick-off and "ambled" 94 yards down the north side lines for the Panthers fourth td., for a perfect day.

Chaffey, fighting to regain its spot for serious consideration in the Little Rose Bowl picture, ran, passed, punted Mt. San Antonio into complete submission, holding the vaunted Sac running attack to a meager 117 yards.

Touchdown Pass

After a scoreless first quarter, the Panthers needed but nine plays to score their first td. McCullough's passes to Weaver, Sachs and Snyder moved the ball from their own 29 to Mt. Sac's 23, where Anse threw a strike down the middle to Austin Snyder in the end zone. Darrel Kreitz' kick was no good.

Punt Blocked

Wes Wetherby recovered Lloyd Smith's blocked punt on Mt. Sac's 21-yard line. Little Austin Snyder, who played a whale of a game and was later slightly injured, ran right end to the ½-foot line, Chaffey was set back to the five for an offside, but Orland DeCiccio circled left end to score standing up. Bob Sachs made the first of four conversion attempts perfect, to give the Panthers a 13 to 0 lead.

The Panthers added another score just before the end of the first half. Taking a Pomona punt on their own 46, Billy DeYoung returned it to their 38.

Third Score

McCullough took to the air, throwing once to Nicholson for a 28-yard gain, but the Panthers were set back to the Mt. Sac 31 for tripping. McCullough tossed a "shorty" to Nick on the 20, with Nicholson circling for the sidelines to score the third td. It was a beautiful play, with Sachs drilling the ball through the uprights for a half-time lead of 20 to 0.

Mt. San Antonio showed its best drive of the day, taking the ball after Frank Merrick's punt was partially blocked on Chaffey's 38. Loyd Smith, Mountaineer quarter, threw passes to end Chuck Rowland and halfback Gordon Kelley, to get to Chaffey's 14. From there Kelley and a pass to Tom Loy, end, put the ball on the

Telegrams Start Pouring Into Pasadena

Chaffey college football fans who turned out by the thousands yesterday to watch the Panthers humble Mt. San Antonio 34-7, are making every effort to capture a Little Rose Bowl bid for the team.

A multitude of telegrams and letters plugging the worth of the Chaffey football team were dispatched following yesterday's decisive victory.

That the Panthers are accorded a good chance of representing the West in the junior college football classic at Pasadena Dec. 13 was acknowledged yesterday by 18 members of the Pasadena junior chamber of commerce, sponsors of the event, who witnessed the Panther triumph.

PASADENA (AP)—Cameron College Aggies of Lawton, Okla., will be the east's representative in Pasadena's Little Rose Bowl game Dec. 13, sponsors announced today.

Reliable sources close to the Little Rose Bowl committee said today that Chaffey is rated as an equal contender with Los Angeles city college for bowl honors.

Should the Compton team, a heavy favorite, defeat LACC in their game at Gilmore Stadium tonight, the bowl bid will probably go to the Panthers as the Tartans have lost one game, a close decision to Pasadena. In the event of an

E. Q. SULLIVAN

Sees "Very Real Objections" To Proposed Upland-Ontario Freeway

"Very real" objections to the routing of the proposed Ramona (Highway 99) freeway through Upland-Ontario along the so-called boundary route between Sixth and Seventh streets have arisen, E. Q. Sullican, state highway district engineer, declares.

In a letter to Mayor Gilbert I. Benson of Ontario, received recently, Mr. Sullivan sets forth the highway department's position in regard to the freeway route.

"Bending the route to the north of its proposed location will involve additional distance which will be hard to justify unless very considerable savings can be shown," the engineer declares.

Diagonal cutting across orange groves, which would be involved, may also meet with considerable opposition, he states.

"I have a letter from the Ontario school district offering great opposition to the proposed routing. The superintendent of schools advises me that the investment which would be lost by the Ontario school district would exceed $200,000," Mr. Sullivan's letter declares.

A second suggestion, made by Upland planning commission which suggests a route along the north side of the Ontario city boundary within the city limits of Upland, had been received.

Grade separations at Euclid, Campus, San Antonio and Mountain avenues are included in the request, he adds, factors which would enormously increase costs.

The letter concluded, "As stated at the recent meeting in Ontario, we will most carefully study the request of the city council of Ontario recommending the route along the north boundary. It is my hope that this study can be undertaken within the next few months."

THERE'S A REASON FOR THE SMILE!

Huge Reparation Payment To Russia Proposed By France

Will Double Lighting On Foothill Blvd.

Foothill boulevard between Euclid and Campus avenues in Upland will be almost twice as bright at night as soon as lighting plans of City Manager R. G. Manley can be put into effect.

The plans, approved by the Upland city council in a special meeting Wednesday afternoon, call for installation of eight lights at strategic points.

Lights to be placed include: one 10,000-lumen light on Foothill between Euclid and Second avenues, one 10,000-lumen light each at the Second and Campus avenue intersections of Foothill and five 6,000-lumen lights between Second and Campus avenues.

Manley stated that estimates show that cost of the lighting per month to the city would be approximately double the recent $17.05 cost.

The state highway department has indicated its intention of placing four 10,000 lumen lamps at the Foothill boulevard, Euclid avenue intersection.

Further progress on the development of the Foothill boulevard area was mode by the acceptance of a property deed from H. H. Bowers granting the city title to a 45-foot setback from Foothill in the area fronting Bowers' subdivision at the Southwest corner of Fourth avenue and Foothill. The deed gives the city title to space for a street, service road and sidewalk area.

The council was also informed that Bowers is proceeding with the paving of the west side of Fourth avenue in fulfillment of city subdivision requirements.

Final passage of three city ordinances was voted by the city council following final hearings.

The ordinances fixed a 35-mile speed limit on Euclid avenue from the south side of the city limits to Sixteenth street, increased the salary of the city treasurer and stabilized the city clerk's salary before lapse of emergency legislation.

Labor Leader Hails Warren

INDIANAPOLIS, Ind. (AP) — The entrance of Gov. Earl Warren of California into the contest for the 1948 Republican presidential nomination was hailed as encouraging today by Daniel J. Tobin, president of the International Brotherhood of Teamsters (AFL).

Tobin — who headed the labor bureau of the Democratic national committee during the four campaigns in which Franklin D. Roosevelt was elected president — added however, "There is not much hope that Gov. Warren will get the nomination."

The teamsters' president made his comments in a signed article in the International Teamster for December. He described Warren's record as "right on nearly everything for labor" and said: "In our opinion (Warren) will have an enormous backing from organized labor throughout the country."

Tobin said the "Democratic party will undoubtedly nominate President Truman. But what is labor going to say about supporting the Democratic party and its platform?"

"The wise thing to do," he continued, "is to wait and see what the platforms of both parties contain and who the candidates are."

The U. S. army and air forces recruiting services opened their offices Wednesday at 134 North Euclid avenue, Ontario, with M/Sgt. John O. Hill in charge.

Soviets To Get Third Of Austria Oil Production

LONDON (AP)—France proposed today that Russia receive $100,000,000 from current production in Austria as part of the general reparations settlement, a qualified source said.

The proposal was made to deputies of the Big Four foreign ministers who were seeking agreement on a treaty of independence and peace for Austria. The ministers themselves were considering the future of Germany and its boundaries.

The informant said the French suggested that Russia receive a third of the production of the Zisterdorf oil fields indefinitely and take over virtually all Austrian shipping on the Danube. A Russian source forecast that the Soviet Union would reject the French compromise on the issue of what constitute German assets in Austria.

Deadlock

The French proposals were said to have been made in a new attempt to break the deadlock among Russia, the United States, Great Britain and France on what constitute German assets in Russia and what might be used for reparations.

The deputies have been snarled for four months on the issue of German assets in Austria. The French compromise avoided definitions of assets. It called upon all countries to list their reparations claims on Austria and say for how much they would settle.

Treaty

The Societ informant said Russia will await the outcome of the council deliberations about Germany before committing herself on Austria. Conclusion of a peace treaty with Austria would necessitate occupation troops leaving.

French Foreign Minister Georges Bidault had lunch with Secretary of State Marshall, French Ambassador Rene Massigli and U. S. Ambassador Lewis Douglas.

French informants said Bidault, presiding at the fourth session this afternoon, would ask his colleagues to get back to the items under discussion on the procedure for writing a German peace treaty and the future frontiers of the Reich. He was said to have expressed the view that political irrelevancies had entered the discussions yesterday.

MISS SWAIN, SGT. JOLICOEUR EXCHANGE VOWS IN RITES AT LATTER DAY SAINTS CHURCH

In nuptial rites performed Sunday afternoon in Ontario, Marjorie Ilene Swain, daughter of Mr. and Mrs. Charles Claxton Swain, 228 West Ralston street, Ontario, became the bride of Jack Wallace Jolicouer, U. S. Army, stationed at March Field. He is the son of Mr. and Mrs. Charles M. Jolicoeur, Maywood, Illinois.

Officiating at the rites was Clyde Calvin Roberts, elder of the Reorganized Church of Jesus Christ of the Latter Day Saints, where the ceremony took place. Over 150 guests witnesses the rites.

Given in marriage by her father, the bride chose a gown styled with a sweetheart neckline, long fitted sleeves and with a full skirt and long train. Her fingertip-length veil was held in place with a beaded crown, and she carried a prayer book covered with an orchid and streamers.

Attired in a hyacinth blue moire faille gown, Mary Ferrera, friend of the bride, served as maid of honor. She carried a bouquet of pink and white sweet peas and blue delphinium.

Serving as best man was Albert DuVal, Los Angeles, uncle of the bridegroom, while George Swain, Riverside, and James L. Swain, Ontario, brothers of the bride, attended as ushers.

Preceding the ceremony, Beverly Swain, niece of the bride, lit candles at the altar. She wore a blue taffeta gown and wore a halo of sweet peas in her hair.

Music for the occasion was provided by David Swain, who sang "The Lord's Prayer," Mary Jane Renfro, and Mrs. James Swain, pianist. Other musical selections included "Ah, Sweet Mystery of Life" and "I Love You Truly".

Before the couple left on a wedding trip to San Francisco and northern California, a reception was held at 408 East Fourth street, Ontario, home of the bride's brother, with about 100 guests attending.

Have You Heard?

After reading Otis Wiles article in the Los Angeles Examiner Nov. 25 regarding the pitiful conditions of the Navajo Indians, then reading elsewhere of the tremendous sums of money and aid to be sent to Europe makes me feel like the man that hands out $100 bills to strangers but refuses to pay a $5 debt to a friend.

Dear Fellow Man—

For years my most difficult job in the Christmas season was trying to get up enough courage to enter a ladies' store to do my Christmas shopping for the girl friend.

I have kept this in mind in opening my own store. It is an easy-to-shop store where I personally will be on the job to help you select these "must-be-right" items.

If I don't have what you want I'll help you get it or get it for you.

I'm sure we can find just what she wants in our Koret Sportswear, Mojud Nylons, Starlight Bras or Sallyette Lingerie.

Arms Purchases With Aid Funds Barred By Senate

WASHINGTON (AP)—The senate today voted to ban France, Italy and Austria from purchasing arms with any aid received under the administration's $597,000,000 emergency assistance bill.

Action on the proposal by Senator Taylor (R-Mich) of the foreign relations committee said nothing in the bill "remotely contemplates" arms purchases of any kind.

Moving quickly through amendments so that a final vote can be taken Monday, the senate also adopted:

A proposal by Senator Ferguson (R-Mich) to allow an on-the-ground check on operations of the foreign relief program by members of the senate and house foreign affairs and appropriations committees.

A proposal by Senator Donnel (R-Mo) specifying that congress shall have the deciding vote, so far as this country is concerned, in disposing of any left-over funds put in trust by foreign governments to pay for relief goods.

President's Message

President Truman's message to congress on the long-range European recovery plan likely will not be ready before Dec. 8.

Presidential Secretary Charles G. Ross told reporters today he thinks it is unlikely the message will be ready to send to Capital Hill until after Mr. Truman returns from Florida.

The President is leaving next Wednesday for a rest at Key West and a dedication speech at Everglades national park Dec. 6. He will return to Washington Dec. 8.

Ross said the question as to whether the President will recommend a separate agency for administration of the long-range program, often called the Marshall plan, is being considered now. He said other recommendations still are in the discussion stage, but he did not disclose what they are.

No Blame In Train Deaths

Blame for the deaths of an Ontario father and son killed Monday in a truck-train collision at the Euclid avenue crossing of the Southern Pacific tracks could not be fixed by a coroner's jury convened Wednesday.

The inquest held at Richardson's mortuary, returned a verdict with out assigning responsibility for the crash. Ramon Chavez, 10, was killed outright last Monday when his father's pickup truck was struck by a Southern Pacific freight train. The father, Margarto, 64, died six hours later at San Antonio Community hospital.

Double funeral rites are to be conducted Monday, 9 a.m., at the Church of Our Lady of Guadalupe with the Rev. Theodore Sanchez as officiant.

A rosary will be held Sunday evening at the family home, 418 East Park street. Interment will be at Holy Cross cemetery, Pomona.

GREAT VICTORY

Yes, it was a great victory for the Panthers and another example of the excellent coach that Ray Rosso is. And whether they win the Rose Bowl bid or not, Chaffey has had a very successful season and we have every reason to be proud of them. They're a great bunch of boys who can not only play football better than any jaycee in the country but have a great fighting spirit to go with it.

To a great coach and a wonderful team, we take off our hats to "a job well done"!

Telegrams Pour Into Pasadena

LA Cub win the decision will be a tossup.

Out of town spectators, among them Bill Schroeder of the Helms Foundation, expressed their amazement at the power and precision of the Chaffey play yesterday. One sportswriter from a metropolitan Los Angeles newspaper stated flatly that if the choice were in his hands Chaffey would difinitely be in the Rose Bowl Dec. 13.

The choice of the Western team will be made Monday night by members of the Pasadena junior chamber of commerce Junior Rose Bowl committee, and any further telegrams plugging Chaffey should be sent not later than Sunday night.

DEATHS

MAUDE E. GRESHAM

Funeral services were conducted this afternoon at the Temple Baptist church, Ontario, for Mrs. Maude E. Gresham, 45, who passed away at her home in Etiwanda on Tuesday.

A native of Oneonta, N. Y., Mrs. Gresham had lived in Pomona and Ontario areas for 23 years before moving to Etiwanda five months ago. She was a member of the Temple Baptist church.

Survivors include her husband, D. E. Gresham; her mother, Mrs. Nellis Ingalls; three sons, Richard, and Lloyd, Etiwanda, and Bernard, Chino; and four daughters, Ruth, Sarah, Geraldine and Florence.

No Offer Yet, Dahlgren Says

No "cash on the line" offer to purchase the Ontario Orioles has as yet been made.

Ellsworth "Babe" Dahlgren, owner of the Ontario Sunset league entrant, so declared today. Dahlgren says he's by no means sure whether the club franchise is to be retained here or shifted elsewhere.

Commenting on reports the Orioles might leave Ontario, and the Anaheim Valencias installed at Galvin park, the ex-Yankee first-sacker declared:

"Any franchise shifts woud have to be approved by the league board of directors. I have no idea what they might do in that direction."

Installing a professional team in San Bernardino—a possibility frequently mentioned—would not be without difficulties, Dahlgren said.

The American Legion has been granted concession rights at Perris Hill park, he pointed out. That, plus the inaccessability of the field would probably force a ball team to seek another park in which to play, he opined.

Named Executive Aid To Kaiser

SAN FRANCISCO (AP)—Robert C. Elliott, industrial editor of the San Francisco News, today was named by Henry J. Kaiser as his executive assistant, with headquarters in New York City.

No One Is Hungry Here—And No Thanksgiving Baskets Distributed

Remember when it was one of the pre-Thanksgiving activities in this area to distribute heaping baskets of food to the needy? As a public activity, there was one of that this week. Perhaps here and there in isolated cases where neighbors and close friends shared there was some expression of helping each other.

In general, however, there was no need for a cummunity organization to systematically see that no one went hungry on the day when every table is expected to be bountifully loaded. Times have changed!

It is easy for people to forget about those in need and to think only of themselves. No one wants conditions such that there must be public sharing but at the same time one of the real joys of life is sharing what you have with someone in need. If no one right in your own community is in need, then we are likely to forget about sharing with those in more distant communities and more distant lands.

It is safe to conclude that no one in this favored spot went hungry yesterday—or goes hungry any day. What a wonderful condition!

Someday conditions may change—heaven forbid—and ever glowing must be the spirit of helpfulness and of sharing with those less fortunate than ourselves.

Today's Weather, Now Wonderful! And It FREEZES elsewhere

Let's look at the weather—and boast about it here. Picture for your friends back east a warm, sunshiny day, the air still, the blue sky clear and the mercury well over 60 degrees.

We are referring to Thanksgiving day here—and it is the same on almost any other day.

Minneapolis and surrounding countryside "enjoyed" 20-degree temperature yesterday following a low of 10 degrees during the previous night. Clevelanders noticed the mercury was at the freezing poin most of the day and it was a little chilly at 17 degrees during the night. According to a national weather report a dozen or so major cities recorded night and day freezing temperatures over the holiday and along with the low readings were snow and stormy weather.

The glorious weather is the southland's greatest asset. We observed Thanksgiving in virtually a Fourth of July atmosphere.

More Production is One Answer to War on Inflation

Leaders in Congress believe the only effective bar to runaway inflation is production and more production until supply and demand are brought into balance.

America is still at war. It is war against inflation. And the way to win that war is production and not the harnessing of industry through imposition of OPA and rationing.

Polls of sentiment in Congress, while they reflect an acute awareness of the danger of inflation, reflect an even greater fear of giving emergency, wartime powers to the government in peace time.

During the war when production was absolutely essential, industries and their thousands of employees worked around the clock. Now, when additional production is needed, most industries work on a 40-hour week. What America needs today is not the dead hand of controls or the careless hand of extravagant spending. It's real need is to work more and spend less.

On The Record

By DOROTHY THOMPSON

The decision taken in New York last Tuesday by the 50 top Hollywood executives to "discharge or suspend" the 10 Hollywood personalities cited for contempt of Congress for refusing to state that they were not communists, only gets us deeper into the quagmire of the national effort to deal with the communist menace. It really is time to suspend hysterical action in order to think through the problem.

The condition of the law on the question of communism is inchoate.

The communist party is a legal organization, yet no alien communist may be admitted to this country. It issues newspapers and other publications which enjoy United States postal privileges, but to write for them may bar the writer from any other medium.

It is, at the same time, a secret society. Its tactics are such that many of its workers, who even may be international agents, hold no membership cards. Its line of propaganda is so clear and disciplined that it is not difficult to deduce from circumstantial evidence that a writer or speaker is a communist in effect, whether he is a party member or not. Yet, by a recent ruling of the highest court of New York, it s libel per se to name anyone publicly as a communist.

Thus, if this column called any one of the 10 Hollywood writers a communist, he could sue me and my publishers for libel, and at the discretion of the court collect damages. He would not have to prove he was not one, while I should have to prove he was an actual party member — hardly possible without the collaboration of that party. What sort of crossed wires are these, whereby it is legal to be a communuist and libel to call anyone such? We protect the communist party two ways — by legalizing it, and preventing the naming of its followers in anything but guarded weasel words.

There also are crossed wires in the Hollywood executives' decision. They suspend or discharge the writers, without pay, while stating flatly "nothing subsersive or un-American has appeared on the screen". That amounts to a blanket acquittal of the writers. If they are communists, but not using the films for proganda, What's all the fuss about? What, however, is "un-American"? Is it possible for anyone to define that term?

The executives denounce the communists, but protect themselves. For everyone knows the final responsibility for a film does not rest with the writer, but with the producer.

Now, I am not a movie devotee, so cannot judge in general on the executives' denial. But they issued one film which was so outrageous an apology for Soviet justice that the Russians themselves would not have had the face to make it, and this column so reviewed it at the time. That was "Mission to Moscow".

The lesson of that film, adapted from the book of the same name, was that the purge trials were proper and fair. This was despite the fact that a body of distinguished American citizens—headed by the dean of American philosophy, John Dewey—having studied the evidence, had torn it limb from limb; and that the trials violated all procedures compulsory under Angle-Saxon or European law. They even distorted chronology and facts, having Marshal Tukhachevsky appear in an open court when actually, as the author of the book well knew, he was court-martialed in secret.

If "Mission to Moscow" was a fair picture of Societ justice, what is wrong with the trials of Messrs. Petkov and Maniu, in Bulgaria and Romania, which we officially have denounced? Yet our military authorities, it was reported, showed the film in Vienna to propagandize other peoples!

Yet Mr. Joseph Davies, the author, is not a communist but a democrat, who has been highly honored. Which is more important: the political affiliations of the author or the work he produces? And what did Mr. Warner, who produced the film, himself think of its truth? Did he care?

The activities of communists do undermine the social structure of all countries, but the ways we are dealing with them also are undermining it—and there are other ways.

DEAR SANTA,

Bring me a new automobile: wrap it in cellophane and tinsel, and gay ribbons . . . and mark it for delivery on Christmas morning.

Yours truly
All or Us.

Happy Thought . . . .

Except that Santa's supply of new cars is still far short of the demand for bright, shiny late model automobiles . . . and many of us must expect to be disappointed again this year.

So, until St. Nick can fill our Christmas order, the next best thing is to take care of the cars we have now.

Drive into your favorite garage for a check-up and estimate. Chances are, a new ring job will be the largest single item required. Old, worn rings rob a car of pep and performance, and can lead to more costly repair bills. A new set of guaranteed performance RAMCO 10UP Rings will cut oil consumption, and add years of new car pep and performance to tired automobiles.

And, the cost of a new ring job is surprisingly low . . . much less than you might expect to pay.

McCullough's Performance Sparks Chaffey Offensive

(Continued from Page 1)

Panther eight.

Mountaineers Score

Kelley ran around right end behind good blocking to score, with Capt. Jim Else, guard, kicking goal.

Pomona kicked to Anse McCullough on his own six-yard line, only to have "Amblin'" run 94 yards down the north sidelines for a spine-chilling touchdown gallop. Clyde Cable and Chet Holsopple put on block-busting blocks around the 50 to clear the way for Anse's climatic run. Yes, Sachs' kick was good for a 27 to 7 score.

The Panthers tallied again late in the fourth quarter. Frank Merrick intercepted one of Ford's passes on Chaffey's 45. Joe Papac, Ruber Ward and Merrick ran the ball to the eight, where McCullough came in to throw to Ward on the goal line for the last touchdown. Sachs made the kick good for a 34 to 7 count.

Team Victory

While Anse was outstanding, let's hasten to add that so was game captain "Battlin' Bob" Sachs. So was Chet Nicholson, who played left half on defense. So did little Austin Snyder, who has twice his weight of 'giblets". So did every Red and White Panther on the field. The subs Coach Ray Rosso sent into the game late in the fourth quarter, showed the spirit of the team. The line of Chaffey simply outcharged, outfought the Mountaineers and that's where football games are won and lost. It was strictly a "TEAM" victory for the happy Panthers, and truly one of Chaffey's greatest triumphs.

Blocked Punts

The Chaffey dressing room after the game resembled tumultous early Xmas! Those kids had earned their shouts of glee . . . This game had everything from fumbles to 94-yard kickoff runs. It had passes, reverses, punts, and it had Chaffey winning their "big game" . . . McCullough's quick kick in the second quarter was good for a neat 80 yards, with the ball head on Mt. Sac's five. He really booted it . . . The halftime program went over with a "bang"! as did Chaffey's home-coming queen, very pretty Paula Jo Payne of Upland; Don McCullough's queen too! . . . The way Chaffey linemen fought for and recovered Mt. Sac fumbles was wonderful, as was the way Chaffey plucked off Mt. Sac's passes. Everyone played so well for the Panthers it isn't right to name only a few and not name EVERY Panther. They were all great, and as Sachs said after the game, "There was never a doubt all week about who'd win. We knew we could do it if we played our best." To this we say "ah-men"! . . . Frank Merrick ran the ball and Mt. Sac dizzy . . . Lou Blanc, Jerry Bell, Bill Luman, Jim Cleminson, and in fact, we love 'em all, when it comes to the line, won the crowd's hearts with their inspired play . . . It would take a book to tell about everything that the Panthers did so nobly . . . Coach Ray Rosso was beaten heavily on the back by everyone who could reach him after the game, and rightfully so, we think. . . . Wonder how many felt as we did during the flag-raising ceremonies—that it was swell to be an American, and so much to be thankful for . . . Pomona and Mt. San Antonio backed up their team in wonderful style, with a complete block of a white-shirted rooting section from the 35-yard line to the other 35 . . . Mt. Sac's Gordon Kelley took up lots of punishment, he being mauled but still fairly frisky. He and Ralph Stearns were tuff . . . We lost part of our statistics in the mad dash after McCullough on his run for his 94-yard td., but our final statistics are pretty close. The statistics clearly show Chaffey's overwhelming power, however. . . . The crowd's spirit was equalled only by the Panthers' playing . . . . someone said that Chaffey could only be beaten by the "gods" and we think they're right!

Happy Statistics

Rosso Calls Panthers "Amazing"

By BOB HOLT

"The most amazing team I've ever seen."

Coach Ray Rosso had that to say today about his Chaffey Panthers, who yesterday shredded a good Mt. Sac eleven, 34-7, at Graber field.

"The boys proved their right to be called great after the way they bounced back from last week's defeat at Fullerton," the Chaffey mentor opined.

It was in the line that yesterday's game was won, Ray thinks. Mt. San Antonio's forwards had permitted no more than one touchdown to any opponent this season, and were tabbed as one of the OEC's premier defensive outfits.

"I said before the game that if our line could outplay theirs, we'd win," Rosso said. "It did, and we did."

COACH RAY ROSSO

Anse McCullough's 95-yard jaunt to paydirt with a Sac kickoff in the fourth peroid was planned—but the wrong man carried the ball!

"We worked out that play in practice," Rosso explained. "Chet Holsopple was supposed to carry the mail, but it went to Anse instead." Holsopple and Clyde Cable then applied the key blocks that enabled Anse to ride for the distance, he said.

Rosso has no idea how high the score might have gone had the varsity remained in the game. "We used 42 players out of 44 on the bench," Ray said. "I overlooked the other two or they'd have gotten in too."

To that well-known $64 question: Will Chaffey get in the Little Rose Bowl? Ray replies:

"If Compton can beat L.A.C.C. tonight we've got a chance. Our team is ready. We're three deep in every position and the boys are raring to go."

On the eve of yesterday's game, officials of the Pasadena junior chamber, sponsors of the bowl fracas, sent greetings to both schools as a reminder that they're being considered for the big game.

"Everything that anyone can do to bring Chaffey to the attention of the selection committee should be done. We have a fine team, one that will acquit itself well aganist any JC in the country. Far from being worn out, the team is even more eager to play than they were at the beginning of the season. They could go through another schedule right now."

Panthers Open Cage Season Next Tuesdag

The Panther basketball squad opens its season play in a practice game with the El Camino squad at the Chaffey gym Tuesday night.

Basketball Coach Harvey Shirk is in a quandary. Three of last year's regulars are also members of the Panther football team and will not be able to turn out for practice until the Little Rose Bowl question is settled.

Shirk plans to use Anse McCullough, Chet Nicholson and George Weaver as the nucleus of this year's Panther squad but they won't be available until the Panther football team puts its equipment away until next year. Orland DiCiccio, ace Panther halfback, has also voiced his intentions of coming out for basketball as soon as he is through with football play.

Shirk today nad no idea of the makeup or chances of the Panthers against El Camino, saying that more than anything else Tuesday night's battle would give him a chance to see how cage hopefuls, who turned out 45 strong, will do when facing opposition other than teammates, and aid him in selecting his varsity players.

"If the Panthers are selected to play in the Rose Bowl our chances against Phoenix Friday and Saturday nights will be very slim without the boys who will be busy with football practice," said Shirk. "That Phoenix club is one of the top teams in the Southwest."

Loss of Cadet '46 Squad Evens Army-Navy Battle

By ORLO ROBERTSON

PHILADELPHIA (AP) — The football forces of Army and Navy reach the end of their 1947 campaigns in Philadelphia's huge Municipal stadium tomorrow with the outcome as difficult to predict as in the days before "B, D ant T" exploded for touchdowns.

The Army, although its unbeaten string of victories was halted at 32 by Columbia, will enter the fray with a much better season's record. But the Cadets lack the scoring punch that carried them to victory the last three years when Doc Blanchard, Glenn Davis and Arnold Tucker—the "B, D and T"—roamed the gridiron for the Black Knights from West Point.

While the Middies have only a lone victory over Cornell and a tie with Duke to show for eight games, they are confident of scoring their first victory since 1943 over Earl Blaik's gold-clar warriors, who have won four, lost two (Columbia and Notre Dame), and tied Illinois and Pennsylvania.

There were reports the Middies might enter the conflict the slight favorites on the basis of their tough schedule. They lost to California, Columbia, Penn, Notre Dame, Georgia Tech and Penn State, while Army's victories were at the expense of not so highly regarded Villanova, Colorado, Virginia Tech and Washington and Lee.

Last season the Navy came close to whipping Army in one of the mast thrilling games of all their 47 contests and this Army team can't be mentioned in the same breath as the 1946 eleven although there is plenty of power from tackle to tackle. The final score was 21-18 with the Middies only four yards away from the goal when the clock ran out.

Chaffey High Cagers Win 3

The Chaffey High Tigers opened their basketball season with a bang Wednesday afternoon, scoring three wins in practice games with the Chino Cowboy teams.

The Tiger varsity beat the Cowboys 42-32, and the Tiger jayvees triumphed 26-10 in tilts at Chaffey. Coach Al Smith's sophomore squad made a successful trip to Chino, where they scored a 41-29 victory over the Chino B team.

DiMaggio Voted AL's Most Valuable Man

NEW YORK (AP)—Joe DiMaggio, star centerfielder of the world champion New York Yankees, today joined Jimmy Foxx, former great slugger of the Philadelphia Athletics and Boston Red Sox, as the only three-time winners when he was named the most valuable player of the American league for 1947.

In the closest race in the history of the award, DiMaggio compiled a total of 202 points in the vote of the 24-man committee of the Baseball Writers Association of America to nose out Ted Williams of the Boston Red Sox by one point.

Panthers Superb In Crushing Win; More 'Fuel' Added To Little Bowl

By STEVE KALAGIAN

"We want the Rose Bowl!"

That was the cry from Chaffey college student rooters yesterday as their Panthers, superb in every department, swept over the remnants of what had been a powerful Mt. San Antonio aggregation to the delightful tune of 34-7.

It was a great and overwhelming triumph, not only because it gave Chaffey their second consecutive Orange Empire conference title but it added loads and loads of fuel to the fires now brightly burning to win the Little Rose Bowl bid for Coach Ray Rosso's mighty football machine.

BOB SACHS

Never before this year have the Panthers been better. Blocking, tackling, running, passing—everything they did seemed to turn into touchdowns and but for fumbles in the first quarter the disaster that overtook a high-flying (before Chaffey, that is) Mountaineer team could conceivably have been a lot worse.

In Old Stride

The Panther line outfought, outcharged and had complete control of the situation right from the start. Bob Sachs was back in his old stride, spilling would-be passers, blocking punts and, of all things kicking the extra points.

The most spectacular play of the afternoon was Anse McCullough's 95-yard sprint right through the entire Mt. San Antonio team for the fourth Chaffey touchdown. Although far behind, the Mountaineers until that moment still had the spirit and were still fighting back, having scored their first and only touchdown a few seconds earlier. But Anse's brilliant streak along the sidelines was all they could stand from the Chaffey powerful express. They all but folded up after that as the sweet smell of roses just about filled up the entire stadium.

The pre-game spirit of Mt. San Antonio rooters as their cheers echoed loudly and lustily over Graber field was like that of a crowd which is used to seeing its team win. For, let it not be forgotten, that before yesterday the Mountaineers had subdued all of their opponents and came to Ontario without a defeat chalked up against them. . And they kept that spirit, too, right through the game—that is until McCullough took the kickoff on his own five and streaked all the way unmolested.

Team Victory

It was a team victory for the Panthers but the arm of McCullough, which has spelled magic so many times in the past two seasons, seemed to have mastered a few extra sleight-of-hand tricks, so many in fact that a few of them must have trickled down to his legs. While his passing was flawless, his running was superb. It isn't every day that a passer goes 95 long yards through a team like Mt. Sac or fake a pass and dash some 11 or 12 yards instead.

There were people present at the game from Los Angeles who had never seen the Panthers play. They went away a little agog at what they saw. Maybe they'll carry "our message" back and maybe this year they'll take the "politics" out and put the Chaffey Panthers right where they belong—in the Little Rose Bowl.

Earn Right

The Panthermen more than earned the right to more than just "serious consideration". And the nearly 12,000 people who packed Graber field was evidence enough of how fans out her support their football teams. So, now that the season is over, we, too, would like to join the Chaffey students in their cry, "We want the Rose Bowl!"

Brief Items About Activities at the General Electric Co. Plant in Ontario

By DON BENSON

E. B. Keyt, G.E. paymaster, suffered a stroke last Monday evening and is now resting in the hospital. We'd like to add our well wishes to those of his other friends for his speedy recovery.

For the past few months we've pestered our friend Bus Snider at every opportunity as to when he was getting married. But Bus would only give us a slow, small sized smile and tell us to quit worrying; that he'd tell us "when", "where" and everything else. Okay, Bus, but don't forget!

Doug Jones, of the Personnel, thought he had a "deal" in the recent Army-Notre Dame game, backing up the Army team for an upset that failed to take place. Although Doug picked the wrong team, he paid off with a smile and proved himself a very good sport. Tough luck, Doug, I know how you felt; I picked U.C.L.A. over Illinois last year, unfortunately!

The G.E.A.A. will again sponsor a team in the local west end Industrial Basketball league. Last year's team wound up in the final playoffs, losing to the Bank of America in an overtime period of play. G. E. should be better this year, sparked by the Oklahoma flash, Jess Knight. The squad is under the capable wing of Cliff Flower, former N.Y.U. great and local star on the hardwood.

The visit to the plant of Charles E. Wilson, and his straight-forward talk to the employes, caused lots of comment in the days that followed. Mr. Wilson, who started out as an office boy at the age of 13, and rose to the presidency of General Electric, spoke quite frankly about today's problems, not only locally but in a worldly sense.

It was nice to see the G.E. musicians begin to get the credit which is properly due them, by going over big in last week's swell Elks Minstrel show at Chaffey

These fellows aren't only good but they also love to show their talents. Roy Case, of the electrician's department, has been their best agent, and given them lots of "plugs."

What with all the new type of "flu" or cold going around, it's hard to say who is or isn't sick. Seems as though every one has had it or has it, and everyone is cussing "it". Let's just hope you don't get it—it's tough!

CHAFFEY CHATTER

By NANCY

From everything we've heard, the Senior Mother and Daughter banquet which was held in the Chaffey cafeteria last Friday night was really a big success. After a delicious dinner Mary Ann Harris, the program chairman, introduced as speakers Helyn Davis, Elaine Rumsey, Jonnie Lockhart, Joan Laurason, and Jean Carlson. The theme of the banquet was song titles, and it was carried throughout the program. Barbara Campbell and Beryl Sather led group singing between courses. The Senior Girls' Glee club sang several numbers, and Mary Lou Hesche sang a vocal solo. Each pair of hostesses chose a song title and decorated their table according to the tune. The sponsors of this wonderful evening were Mrs. Ruth Johnson and Miss Frances Hemingway.

There's a hustle and bustle, and worried looks begin to appear on the faces of the girls, as plans for the Christmas Prom Dec. 12 are completed. For the first time this annual formal dance is going to be open to all freshmen and sophomores. "Sweet William and His Swingsters" are on the list to provide the music, and from all reports they're really good. So get up your nerve, boys, ask your girl and prepare for the Christmas Prom!

Along with our eager anticipation of Thanksgiving vacation, we all have the senior assembly today to look forward to as well. Featured on the program are hilarious skits by the dramatics classes and music by the orchestra and chorus. The skit entitled "The Landing of the Pilgrims" takes us back to those historic days when everyone's main objective was the chasing of turkeys and Indians. However, as a humorous modern note has been added to the skit it sounds like we're all in for lots of laughs. Henry Younge and his orchestra are slated for the musical part of the assembly. The senior girls' glee club will sing also.

The get-together Freshman Tea held in the foyer of the auditorium last Wednesday was reported a great success. The guests were greeted as they arrived by Barbara Long, Bob Taylor and the class sponsors. Several numbers were sung by the freshman chorus, and orchestra music was played under the direction of Jack Feeney. The foyer was decorated in a gay autumn theme, and refreshments were served by freshmen girls.
